ABOUT AILA & NIBA

The Australian Insurance Law Association (AILA) is Australia's leading provider of education, resources, and networking for all insurance industry professionals. AILA is for everyone in the insurance industry. We service the industry by providing affordable membership, high quality CPD education and professional growth and networking opportunities for every stage of your career.

The National Insurance Brokers Association (NIBA) is the peak representative body for the intermediated insurance industry in Australia. NIBA represents approximately 450 member firms and 10,000 individual brokers, including large, multinational insurance brokers, Australian broker networks, and small to medium-sized businesses located in cities and regional areas right around Australia. NIBA is committed to supporting its members by representing the interests of brokers and their members to government and regulators and promoting high levels of professionalism.

We hope you will join us and your industry colleagues, peers and friends for this exciting opportunity and we encourage you to share the Masterclass program with anyone you think might also be interesting in attending.
